

An aerial photograph of the Hotel Cipriani's garden in Venice. The garden is a lush green lawn with several round tables set up for a wedding reception. Each table is covered with a white tablecloth and surrounded by gold-colored chairs. The tables are decorated with small floral arrangements. In the background, the Venetian skyline is visible, featuring the large dome of St Mark's Basilica and other historic buildings. The sky is a soft, hazy orange, suggesting a sunset or sunrise. The overall atmosphere is romantic and elegant.

## GETTING MARRIED IN ITALY

### RELIGIOUS WEDDINGS

Non-residents can be married according to Catholic rites in a Catholic church. You will need to obtain the Nihil Obstat from your local diocese, signed by your bishop, in order to be married in an Italian parish. Your wedding planners can also arrange a celebrant for Protestant, Jewish or Orthodox rites to marry you in a sacred location.

### CIVIL WEDDINGS

Civil ceremonies may be celebrated in town and city halls throughout Italy.

### BLESSINGS

Blessings are ceremonies without legal or civil restrictions and are therefore performed by a Master of Ceremonies, rather than a clergyman or state official. The ceremony suits couples who have already had a civil or church ceremony, but is also perfect for those who wish to renew their wedding vows.
